

## **ASSIGNMENT – 9**

**(Due: 11/02/2012)**

**Please turn in separate .c files for this assignment. Do not merge them into one.**

1. Reading Assignment: Chapter 9 – Introduction to Data Structures
2. Solve problems 1& 2 from the book (pg 201)
3. **Modify your Bubblesort application/code** to sort the names of the Flintstones characters (Fred, Barney, Wilma, Pebbles & Dino) in the alphabetical order.  
**Use a single 2D array to store all the names.**

**Hint: Use strcmp to compare the strings with each other.**
